April 7, 2010

Greetings!

Canadian Labour Congress Executive Vice President Barb Byers will be the guest speaker at the Brantford and District Labour Council Annual General Meeting on Sunday, April 25, 2010 at 1 pm at the Brantford Labour Centre, 1100 Clarence Avenue, Brantford, Ontario.

From her early years as a social worker to heading first the Saskatchewan Government Employees Union and then the Saskatchewan Federation of Labour (SFL) before being elected as a CLC Executive Vice-President, Barb's life has been spent fighting for the underdog.

Also speaking at the Annual General Meeting will be Andrea Calver, Coordinator for the Ontario Coalition for Better Child Care who will be giving a presentation on the current challenges facing child care centres across the province.

The Ontario Coalition for Better Child Care (OCBCC), founded in 1981, advocates for universally accessible, high quality, not-for-profit, regulated child care in the province of Ontario. It is a non-partisan public awareness and advocacy group with broad membership including the education, labour, student and women's and francophone communities.

The AGM also provides the opportunity to select a new executive for the Labour Council. Please ensure all your delegates are in attendance at the meeting.

In solidarity

Stephanie Levesque
